**Hearing Date:** 3/19/07

**Background:**

The operating and capital expenses of state transportation agencies and programs are funded on a biennial basis by an omnibus transportation budget adopted by the Legislature in odd-numbered years. Additionally, supplemental budgets may be adopted during the biennium making various modifications to agency appropriations.

The transportation budget provides appropriations to the major transportation agencies including: the Department of Transportation, the Washington State Patrol, the Department of Licensing, the Washington Traffic Safety Commission, the Transportation Improvement Board, the County Road Administration Board, and the Freight Mobility Strategic Investment Board. The budget also provides appropriations out of transportation funds to many smaller agencies with transportation functions.
